That are shot at Hamas. Why are there still Palestinians in the north? They're in an active warzone and received heavy notice to leave. No one holds any other military to the same standards as Israel. It's actually insane.

You're bombing the south too Ms Goebbels. Also killing in the west bank. You're right, no other country is allowed to get away with what you freaks do.

Why is israel bombing the south? I'll keep this one polite! Seems to negate your whole argument!
